DATE: 1-11-07

The Project Development Board for the Grayson County Judicial Building met for their regularly scheduled meeting August 8, 2006 at 5:00pm in the large courtroom of the Old Courthouse. Members present were Grayson County Judge Executive Gary Logsdon, Circuit Court Clerk Elois Downs, Circuit Court Judge Sam Monarch, and Tom Goff Grayson County Attorney, Sixth District Magistrate Curtis Wells, Patrick Yewell (AOC) also present were Tim Gravis (JRA) James Bauman (AOC) and David Cotton (CMTA) and Circuit Judge Elect Bruce Butler.

The meeting was called to order by Chairman Logsdon. A motion was made by Elois Downs seconded by Curtis Wells to accept the minutes from the previous meeting. Motion passed.

The first order of business was to review the proposed floor plans for the new Judicial Building. Mr. Gravis told the board that the size of the building included in the preliminary plans was too large. The plans will have to be modified in order to decrease the square footage of the courthouse. Currently there are 44,915 square feet and in order to be accepted by the oversight committee the plan will have to be reduced by approximately 5,000 square feet. Several options were discussed and the board agreed that Mr. Gravis will make changes to the drawings and a special called meeting will be held August 18th at 2:00 pm to review the changes. The plans will be submitted for review by the schematic design review board Sept 7th in Frankfort.

Judge Logsdon told the board that he was waiting on Hilliard Lyons to complete paperwork on the sale of the five acres sold by Fiscal Court to the PDB. He will then be able to begin construction on the access road to be built.

Being no further business a motion was made by Curtis Wells seconded by Tom Goff to adjourn, motion passed.
